Comments:

- Phenomenal performance posting an impressive 902 lbs weaning weight and 1,611 lbs as a yearling.
- Provides a fresh new pedigree, which is compatible with most mainstream bloodlines.
- Click [here](#) for current American Angus Association EPDs
- The feet on Unanimous are impeccable, the best we have ever seen. He has a big solid foot with lots of heel and the right angle to his hoof structure. A definite foot improver for the breed. Peak Dot Angus
